

SEH 2019

20th European Congress of Herpetology

Travel grants

SEH offers travel grants to facilitate the participation of promising students to the Congress. Four grants will be available: two for master students and two for Ph.D. students. Each travel grant consists of € 250 for venue expenses and the full covering of student registration fees (€ 50). Grant winners will be required to pay congress registration fees. For logistic constraints, the Organizing Committee can not anticipate the grant fee, but the total amount (€ 250+50) will be refunded at the Congress closing ceremony or paid by bank transfer after the congress closure.

Application decision will be communicated by e-mail by early July.

Application

Candidates must submit their application by the **15th June**. Eligibility to apply for travel grants is extended to master or Ph.D. students who have achieved their degree after 31st December 2017 and not having any academic position. Applicants have to submit by email seh-congress@unipv.it (with this statement in the object: "**SEH TRAVEL GRANT**") the following documentation before the above deadline:

- Applicant full contact details, both email and postal
- A complete CV, including any publications
- A cover letter (500-word limit) describing research interests of candidate, particularly regarding Herpetology

For any further information, please, contact grant officers at seh-congress@unipv.it.
